Our Church family Values

2. Generosity – Our God is outrageously generous in His kindness and grace to us when we least deserved such sacrificial love and grace. We then want to reflect that same generosity to one another and to others inside our church family and outside in our community. We want to be generous and indeed sacrificial with our time, our money, our love, our compassion and our service to others.

Q. WHO are You being generous with to-day showing the love and compassion of God?

Think of others all around you.
