Our Church family Values

4. Worship – Worship is not about us it's about God. It is about who He is and His worthiness to be worshipped. We are committed to use of the means of **GRACE** which **GOD** has provided to help us worship Him collectively. Worship is not just about Sunday. It is the totality of our lives and it is about how we translate the truths of God's Word into everyday life in radical, loving obedience.

Let's pour out our worship and adoration from full hearts. We have a glorious Saviour and a wonderful Heavenly Father. Let's worship empowered by the Holy Spirit to-day..
