

Next Sunday morn at 11am service we are absolutely delighted to welcome Jenny Baines and the team from OPEN...

Jenny Baines has headed up CARE's Open ministry for many years. The ministry centers around pregnancy loss and unintended pregnancy, and offers a compassionate and caring response.

A good quote from Malcom Duncan is "OPEN can help local churches and individual woman to find a pathway of healing in the midst of unspoken but deeply-felt loss."

Jenny shares personal stories on how the Church can come alongside women supportively... and also spends time leading healing retreats either for miscarriage or post abortion concerns.

There are still 1 or 2 places available for this Saturdays miscarriage healing retreat in Tim and Kim's home in Dee.....Honestly you will be moved, challenged, inspired and so encouraged by Jenny and Hannah next Sunday. Jenny is just a beautiful person with a beautiful heart and a beautiful story to share. Not to be missed.
